

TO: FCCOK, SO IF YOU LET 'NAB' HAVE THEIR WAY ATTEMPTING TO LIMIT OR THWART XM & OTHER SATELLITE RADIO'S PROGRAMMING OR VARIETY, INCLUDING LOCAL INFORMATION, WHAT'S NEXT? WHAT ABOUT THE 1ST AMENDMENT? I AM ABSOLUTELY AGAINST ANY SORT OF LIMITATION OF SATELLITE RADIO. AND ON SATELLITE, WHAT ABOUT DISH-TV & DIRECT-TV? ARE THEY NEXT? I'M AGAINST THE RESTRICTIONS NAB IS TRYING PUT ON XM OR OTHER SUCH CARRIERS, NOT JUST BECAUSE I'M A SUBSCRIBER, BUT I BELIEVE IN "FREE ENTERPRISE," JUST LIKE ABE LINCOLN & GEORGE WASHINGTON DID, REMEMBER? SOMEBODY NEEDS TO 'NAB' NAB! MAYBE THEY NEED TO BE INVESTIGATED! HOW ABOUT A FULL SCALE INVESTIGATION ON NAB? MAYBE THEY HAVE TOO MUCH POWER, AND ARE BEING GREEDY. I'VE SEEN THIS TYPE OF STUFF IN OTHER INDUSTRIES, AND IT'S USUALLY GREED DERIVED. NAB JUST NEEDS TO HAVE IT'S INDIVIDUAL STATIONS BECOME MORE CREATIVE WITH PROGRAMMING & ADVERTISING, AND SERVICE TO LISTENERS. I LISTEN TO SEVERAL LOCAL STATIONS, AS WELL AS XM. XM IS NOT 'STEALING' OR TAKING SERVICES AWAY FROM NAB LOCAL AFFILIATES! LET'S LEAVE XM ALONE. NAB IS JUST AFRAID OF COMPETITION, WHICH IS THE LIFEBLOOD OF BUSINESS & COMMERCE, AND CAUSES CO.'S TO BE MORE CONSUMER ORIENTED.
